

Waterproof Awning Fabric

Orange
#839920

- 74 inches wide, 16 ounces per square yard.
- Technological breakthrough in truly weatherproof awning material with the look and feel of textured decorative fabric.
- High-performance vinyl substrate.
- Easy to handle, highly durable and does a remarkable job of resisting sagging.
- Easy to clean and resistant to stains and mildew.

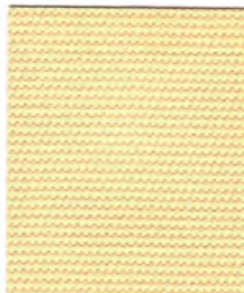

- Ideal for a variety of awning and canopy applications for retail, restaurants, hospitality, business and residential applications.
- Digitally printable with solvent-based inks and accepts silk screen, spray paint and certain PS vinyl methods of decoration.
- Flame Retardant: CSFM Title 19, Section 1237, ASTM E84 Class A, NFPA 701, UL 48 & 94
- 8-year manufacturer's limited warranty.
