SITE FURNISHINGS

About Us

For more than 50 years, Anova has pushed the envelope on design and manufacturing — from our humble beginnings in a garage, making paneled trash containers with environmental messages in 1970, to serving communities and elevating public spaces with outdoor furniture installations across the country.

Materials

Fusion Advantage™

Our exclusive, patented coating process features thick plastisol fused to a steel foundation, coated with a high-performance, richly tinted powder that creates a seal against the elements.

Recycled Plastic

Our premium planks are exceptionally strong, dense, durable, and amazingly care-free. Colors resist fading and retain their beauty without the need for staining or painting.

Thermory® Hardwood

These planks are made from thermally-modified renewable temperate hardwood. Utilizes 100% natural and sustainably-harvested wood processed using only high heat with no chemicals — resulting in increased durability and stability.

A photograph of an outdoor patio area featuring several blue plastic chairs and tables. The chairs have a slatted design and are supported by grey legs. The tables are round and also blue. The furniture is arranged on a light-colored tiled patio. In the background, there is a green lawn and some landscaping. The word "Latitude" is written in a white, cursive font in the upper left corner of the image.

Latitude

Collections

The Latitude Collection offers clean lines, modern finishing, and ergonomic comfort. Choose from several outdoor park bench options, large capacity outdoor receptacles, and modern outdoor table designs that will compliment any site.

A photograph of a park area. In the foreground, a wooden bench with a dark metal frame is partially visible on the left. To the right is a cylindrical trash can with vertical wooden slats and a dark metal top. The ground is paved with light-colored concrete. In the background, a tennis court with a green surface is visible, enclosed by a black chain-link fence. Beyond the fence is a line of trees. The word "Madison" is written in a white, cursive script across the top left of the image.

Madison

Collections

The ergonomic construction of our Madison collection offers comfort without sacrificing aesthetics. Choose from outdoor flat and contour park benches, conversation tables, receptacles and recyclers made from Thermory modified hardwood or maintenance-free recycled plastic lumber.

Metrix

A row of modern outdoor benches is shown in a park-like setting. The benches have a grey metal frame and wooden slats. They are arranged in a line, receding into the background. The background features a stone wall, a blue utility pole with the word 'OAK' written vertically, and some greenery. The lighting is bright, suggesting a sunny day.

Collections

Metrix collection outdoor receptacles and park benches feature straight lines, crisp angles and comfortable design. Outdoor flat and contour benches are available, and receptacles come in 40 and 50-gallon capacities.

Picnic Tables

A black metal picnic table with a red umbrella is set up on a paved area. The table has a textured surface and is surrounded by greenery and a brick path. The background shows a well-maintained garden with various plants and trees.

Collections

If you're like us, the best memories include meaningful conversations with family and friends, comfort foods, and great times spent in the great outdoors. And like those lasting memories, our picnic tables are built to last. We're proud to offer quality outdoor tables in a variety of shapes, sizes, materials and styles - all built with comfort and longevity in mind.

Tuscany

A photograph of an outdoor patio area with several square tables and chairs. The furniture is made of a light-colored metal frame with dark brown slatted tops and seats. The patio is paved with light-colored rectangular tiles in a grid pattern. In the background, there is a green lawn, a low stone wall, and a paved area with some markings. The word "Tuscany" is written in a white, cursive font in the upper left corner.

Collections

Tuscany outdoor tables and chairs deliver maximum impact with a minimalist design. Slim steel accents are paired with your choice of low -maintenance Thermory modified hardwood or maintenance-free recycled plastic lumber.
